# CENTO AMICI

## 22nd Annual Dinner & Auction

General Pace served as the 16th Chairman of the Joint Chiefs of Staff - the first Marine to serve as the highest-ranking member of the United States military. General Pace's four-star assignments include Vice Chairman of the Joint Chiefs of Staff, and Commander-in-Chief of the U.S. Southern Command.

The son of an Italian immigrant, General Pace grew up in Teaneck, NJ, and attended Teaneck High School. He graduated from the United States Naval Academy in 1967, and served our country with distinction for more than 40 years in uniform.

Founded in 1989,  
Cento Amici (*100 friends*)  
is a community-based organization  
dedicated to supporting  
education in New Jersey.

In keeping with our organization's history of recognizing great leaders and humanitarians from New Jersey, we are proud to welcome retired Marine Corps General Peter Pace, this year's honorary member.

To honor General Pace's service and to show your continued support for New Jersey students, we hope you will attend our annual dinner. Proceeds from this year's dinner will fund Cento Amici's scholarships and an endowed fund for future scholarships.
