Founded in 1989, Cento Amici has evolved into an organization dedicated to supporting education in New Jersey. The organization's primary fundraising is done through the annual Thomas W. Zito Memorial Golf Classic – named after one of the club's founding members who was a former Rutgers professor and executive director of the Bayonne Housing Authority – and its annual dinner. Since its creation, Cento Amici has contributed more than \$650,000 to philanthropic causes, primarily in New Jersey. Since the organization's decision to focus solely on education, Cento Amici has contributed more than \$550,000 to need-based scholarships at New Jersey colleges and secondary schools. Cento Amici is a qualified 501(c)(3) charitable organization (tax id: 22-3800065). The organization has no staff or overhead, and all incidental costs are paid through member dues.
